Equal Opportunity is Air Force Policy. The Hill Air Force Base Military Equal Opportunity Office (MEO) is an avenue for military members and their families to address unlawful discrimination, including sexual harassment. The Air Force promotes the practice of equal opportunity in all areas, irrespective of race, color, religion, national origin, or sex.

You are encouraged to seek assistance from your chain of command or the MEO Office with any concerns about discrimination issues. We're located in Bldg 546, across from the hospital, or can be reached at 775-6722.
